

Boat on the River

Refr.: Take me back to my boat on the river
I need to go down, I need to come down
Take me back to my boat on the river
and I won't cry out anymore

1. Time stands still as I gaze in the water
she eases me down, touching me gently
with the waters that flow past my boat on the river
so I don't cry out anymore
Oh the river is wise,
the river he touches my life like the waves on the sand
and all roads lead to tranquility base
where the frown on my face disappears.
Take me back to my boat on the river
and I won't cry out anymore

2. Oh the river is deep,
the river he touches my life like the waves on the sand.
And all roads lead to tranquility base,
where the frown on my face disappears.

Refr.: Take me down to my boat on the river,
I need to go down, won't you let me go down
Take me back to my boat on the river
and I won't cry out anymore.
