

# Wind of change

*Skorpions*

1. Follow the Moskva down to Gorky Park listening to the wind of change  
an august summer night soldiers passing by listening to the wind of change

2. The world is closing in did you ever think  
that we could be so close, like brothers  
The future's in the air can feel it everywhere blowing with the wind of change

Refr.: Take me to the magic of the moment on a glory night  
where the children of tomorrow dream away in the wind of change

3. Walking down the street distant memories are buried in the past, forever  
I follow the Moskva down to Gorky Park listening to the wind of change

Refr.: Take me to the magic of the moment on a glory night  
where the children of tomorrow share their dreams with you and me

Refr.: Take me to the magic of the moment on a glory night  
where the children of tomorrow dream away in the wind of change

Bridge: The wind of change blows straight into the face of time  
like a storm wind that will ring the freedom bell for peace of mind  
Let your balalaika sing what my guitar wants to say

Refr.: Take me to the magic of the moment on a glory night  
where the children of tomorrow share their dreams with you and me  
Take me to the magic of the moment on a glory night  
where the children of tomorrow dream away in the wind of change
