

# Up in the sky

77Bombay Street

1. Up in the sky, there is a village  
and the people there are blue, I believe it's true  
Up in the sky, people are happy  
they love to sing and there is no need for a king

2. Up in the sky, nothing is insane  
like a rocket driven plane you can fly above the rain  
Up in the sky, you just feel fine  
there is no running out of time and you never cross a line

I never want to die I wanna live in the sky  
Refr. Up in the sky, you can fly you will make it if you try  
in the sky you are far away  
Up in the sky you can sing and you can do everything  
And no matter what they say it's true I'm going to the blue

3. Up in the sky, there's no religion  
there are no cars and no phones and you can't not be controlled  
Up in the sky, you just feel fine  
there is no money making crime but a lot of good wine

I never want to die I wanna live in the sky  
Refr. Up in the sky, you can fly you will make it if you try  
in the sky you are far away  
Up in the sky you can sing and you can do everything  
And no matter what they say it's true I'm going to the blue

Bridge: Oh oh oh oh oh, oh oh oh oh oh I'm going to the blue  
Oh oh oh oh oh into the blue oh oh oh oh oh  
Oh oh oh Wanna live up in the sky, (2x)  
Oh oh oh Wanna live up in the sky, (2x) up in the sky

Refr.: Up in the sky, you can fly you will make it if you try  
in the sky you are far away  
Up in the sky you can sing and you can do everything  
And no matter what they say it's true  
I'm going to the blue, oh oh oh oh oh  
Up in the sky oh oh oh oh oh up in the sky.
