

# Heaven

Gotthard

1. Show me the way to your heart  
I am searching but I'm drifting apart  
Everything's gone far away here  
were standing now with no words left to say  
Gave you power fell on the floor silence,  
never thought you hurt so bad  
Darkest hours slept at your door  
wishing all would be just like before

Refr. Let me find my piece of heaven  
let me find my way back home  
I want this love to last forever  
and back together, rise once again  
From the ashes to the sky  
from the ashes to the sky

2. Has someone taken my place am I falling?  
Was it our last embrace  
Now you're asking me for some more time  
I am trying to survive  
Keep on running I'm up all night Times,  
I never thought they hurt so bad  
Darkest hours stand by your door  
wishing all would be just like before

Refr. Let me find my piece of heaven  
let me find my way back home  
I want this love to last forever  
and back together, rise once again  
From the ashes to the sky  
from the ashes to the sky
