

What a feeling

Irene Cara

1. First, when there's nothing but a slow glowing dream
that your fear seems to hide deep inside your mind

2. All alone, I have cried silent tears full of pride
in a world made of steel made of stone

3. Well, I hear the music close my eyes, feel the rhythm
wrap around, take a hold of my heart

Refr.: What a feeling being's believin' I can have it all,
now I'm dancing for my life
take your passion and make it happen pictures come alive

You can dance right through your life now I hear the music
close my eyes, I am rhythm in a flash, it takes hold of my heart

Refr.: What a feeling being's believin' I can have it all,
now I'm dancing for my life
take your passion and make it happen pictures come alive
you can dance right through your life

Refr.: What a feeling being's believin' I can have it all,
now I'm dancing for my life
Take your passion and make it happen pictures come alive
you can dance right through your life what a feeling
